

Seavus Project Viewer 4.0

The complete viewer for Microsoft® Project files

Activation Instructions

SEAVUS PROJECT VIEWER ACTIVATION INSTRUCTIONS

Please be advised that in order to successfully activate your licenses, you will need to have read/write privileges for the registry.

PLEASE FOLLOW THE INSTRUCTION STEPS BELOW:

- 1) Locate your PC’s hardware ID. To find the ID, choose “Yes, I want to telephone a customer service representative to activate Seavus Project Viewer” in the Seavus Project Viewer Activation window and click “Next”. See figure 1 below.

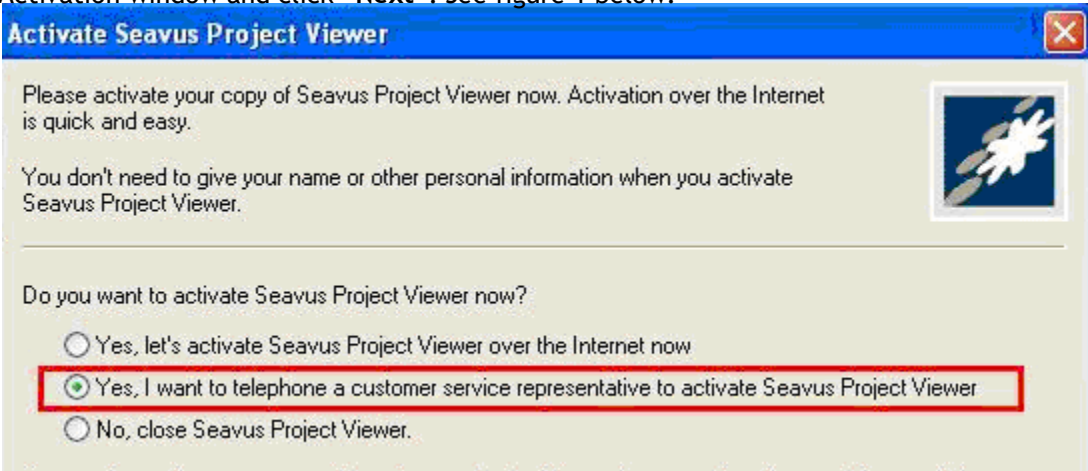

Figure 1

- 2) On the next page the License and Hardware IDs will be automatically displayed.
- 3) Please copy and send them to us via email.
- 4) We will reply with your Confirmation ID which you will use to fill in the specific fields on the same page. See figure 2 below.

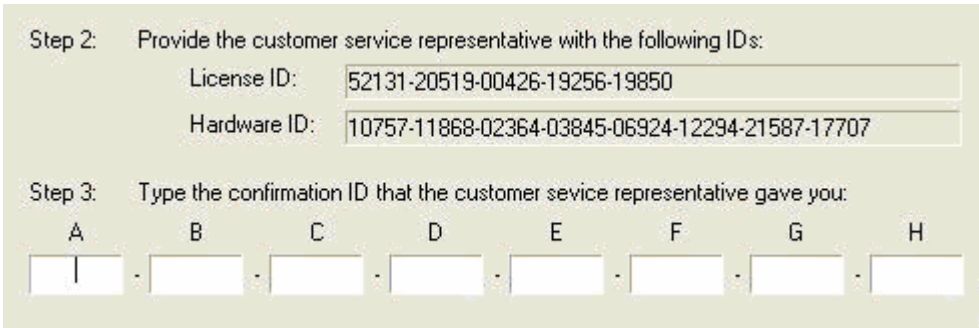

Figure 2

- 5) After entering the Confirmation ID, click “Next” and your license will be successfully activated.
