

Sophisticated Operations Performed with Ease

- **Clone; Image; Wipe; Format (FAT32 or NTFS)**
- **Simultaneous Output to 2 Destinations HDD's**
- **Hash Re-Verify (on read from destinations)**
- **Speed up to 6 GB/Min. per Drive (with hash)**
- **Automatically Handles HPA's & DCO's**

Includes	HC3P with 2 destination ports , cables, power supply, Instruction Manual
Design Achievements	<ul style="list-style-type: none"> - Fastest, Most Secure, Cost-Effective Forensic Duplication - Dual Output Design essentially enables twice the transfer speed - <i>Protect Evidence Drive From Inadvertent User Operations</i> - Uncomplicated, Intuitive Ease of Use - Most Compact, Lightweight Design on the Market Today
Speed*	Overall Duplication – Clone or Image <ul style="list-style-type: none"> • Up to 7 GB/m per drive (no hash) • Up to 6 GB/m per drive (with hash) • No slow down when simultaneously transferring to 2 HDD's • Save time & money by making your back-up in the field Wipe: Up to 7.1 GB/m
Out of Box Set-Up	Simply enter date & time Source drive write blocker already built-in
Ease of Use	3 button interface – sophisticated operations easily mastered <i>Go from zero to forensically acquiring drives in 15 minutes</i>
Duplicator Functions	Image – Disk to File (to <i>single</i> or multiple files) Clone – Disk to Disk Wipe (to DoD Specs) Post-Clone Wipe (to DoD specs) Format Drives (FAT32 and NTFS) Hash Drives (MD5/SHA256) Hash Re-Verify (Dual-Pass Hashing) HPA & DCO Detect, Unlock & Copy (<i>protected</i>) or Wipe HC3P Quick Set-Up
Post-Clone Wipe	Wipes remaining drive space after cloning to ensure forensic integrity when recycling drives
HPA/DCO Handling	<i>Ensures forensic integrity</i> by protecting the HPA & DCO on evidence drive from alteration on duplication
User Interface (UI)	LCD w/ backlight – concise instructions/status
Connectors	1 SATA/IDE input; 2 SATA output RS232 with DB9 Connector
Weight & Dims.	Less than 1 lb. (excluding accessories) Height: 1.5"; Width: 5.5"; Depth: 4"
Firmware Upgrades	Free web downloads for life of product
Warranty	Standard 2 year
Company Information	10 years as Industry Leader and Innovator 6 patents Products known and trusted worldwide by justice agencies, law enforcement & private sector.

*Speed Performance Examples:

Duplication with SHA Engaged: Source – WD G-model Velociraptor 300GB/Destination – WD Caviar Green 2 TB: TIME: 00:51:34

Duplication with SHA Engaged: Source – Seagate 7200.10 80GB/Destination – Seagate 7200.11 1.5TB: TIME: 00:21:45
